

### Steps to Create an Account on Training Center

1. Visit [training.simmersion.com](https://training.simmersion.com) to register for an account. Click the option to register for an account.

2. Enter in all applicable information. Be sure to check the captcha code for security. Click *Register* when finished.

The image shows a registration form for the SIMmersion Training Center. The form is titled "Register" and includes fields for First Name, Last Name, Email Address, and Promo Code (optional). It also features a Human Verification section with a reCAPTCHA "I'm not a robot" checkbox. Below the form, there is a "Register" button highlighted with a red border and a "Return To Login" button. The background of the form is a blue-tinted image of a person using a laptop.

**SIMmersion Training Center**

Welcome! You are a click away from highly engaging training systems featuring interactive simulations, dynamic educational content, and extensive feedback.

3. Next, a dialogue box will open noting the successful account creation. A verification email will be sent to the email address you provided during registration. Please log into your email and locate the verification email.

Account created successfully. You will receive a verification email in your inbox at the email address you provided.

OK

The image shows a screenshot of the SIMmersion Training Center login page. On the left, there is a blue-tinted background image of a person's hands typing on a laptop. The text 'SIMmersion Training Center' is overlaid on this image. Below the title, a welcome message reads: 'Welcome! You are a click away from highly engaging training systems featuring interactive simulations, dynamic educational content, and extensive feedback.' On the right side, there is a white login form. The form has a 'Log In' title and a link for 'Use my organization's login'. It contains two input fields: 'Email Address or Username:' and 'Password:'. Below the password field, there is a checkbox for 'Remember My Credentials' and a link for 'Forgot Your Password?'. At the bottom of the form, there is a green 'Login' button and a link for 'Don't have an account? Register »'. A green double-checkmark icon is centered at the bottom of the page.

- The email will come from a [noreply@simmersion.com](mailto:noreply@simmersion.com) address. Occasionally, this email gets stuck in Junk or Spam. Please search for the address if you cannot find it. Once you have located the email, please click the blue *Verification Link* inside the email. Clicking the link will bring you to a new page where you can create a password.

5. Next, follow the instructions to select a password. Your password must be at least 11 characters and is case-sensitive. Click *Verify Account* when finished.

# Register

The final step to setting up your account is choosing a password. The password must be 11 characters minimum. By choosing a password and finishing the account registration process you agree to receive periodic emails from us in regard to your account and SIMmersion products. SIMmersion does not sell your information to third parties.
