Privacy · Terms

By clicking the Register button, you agree to the terms of the [Privacy Policy](#)

3. Next, a notification will pop-up noting the successful account creation. A verification email will be sent to the email address you provided during registration. Please log into your email and locate the verification email.

- The email will come from a noreply@simmersion.com address. Occasionally, this email gets stuck in Junk or Spam. Please search for the address if you cannot find it. Once you have located the email, please click on the blue *Verification Link* inside the email. Clicking the link will bring you to a new page where you can create a password.

5. Next, follow the instructions to select a password. Your password must be at least 11 characters and is case-sensitive. Click *Verify Account* when finished.

The final step to setting up your account is choosing a password. The password must be 11 characters minimum. By choosing a password and finishing the account registration process you agree to receive periodic emails from us in regard to your account and SIMmersion products. SIMmersion does not sell your information to third parties.

Verify Account

6. A dialogue box will open noting the successful account verification. Select *OK* to continue.

- Next, you will be brought back to the Training Center login screen. Please login with your credentials.

- Once logged in, you will be brought to your My Products Dashboard. You should now see all of the available for sale and free SIMmersion products on your Dashboard. Click *Free Trial* to experience a partial conversation. When ready to purchase, select *Purchase* to subscribe for access.

The screenshot displays the 'My Products' dashboard. At the top, there is a dark blue header with the text 'My Products'. Below the header is a 'Quick Launch' section with a dropdown menu labeled 'Choose A Product'. The main content area is divided into two sections: 'Available for Purchase' and 'Train For Free'. The 'Available for Purchase' section features three product cards, each with a circular profile picture, a title, and two buttons: 'Free Trial' and 'Purchase'. The products are: 'Alcohol Screening and Brief Intervention', 'Brief Motivational Intervention with Gabe Turner', and 'CBT: Creating a Change Plan'. The 'Train For Free' section features three product cards, each with a circular profile picture, a title, and a 'Launch' button. The products are: 'Engaging Adolescent Patients About Marijuana Use', 'Talking To Patients About Health Risk Behaviors', and 'Engaging Adolescent Patients About Marijuana Use'. Navigation arrows are visible on the left and right sides of the product cards.
