Privacy - Terms

By clicking the Register button, you agree to the terms of the [Privacy Policy](#)

- Next, a dialogue box will open noting the successful account creation. A verification email will be sent to the email address you provided during registration. Please log into your email and locate the verification email.

- The email will come from a [noreply@simmersion.com](mailto:noreply@simmersion.com) address. Occasionally, this email gets stuck in Junk or Spam. Please search for the address if you cannot find it. Once you have located the email, please click on the blue *Verification Link* inside the email. Clicking the link will bring you to a new page where you can create a password.

5. Next, follow the instructions to select a password. Your password must be at least 11 characters and is case-sensitive. Click *Verify Account* when finished.

The final step to setting up your account is choosing a password. The password must be 11 characters minimum. By choosing a password and finishing the account registration process you agree to receive periodic emails from us in regard to your account and SIMmersion products. SIMmersion does not sell your information to third parties.

6. A dialogue box will open noting the successful account verification. Select *OK* to continue.

7. Next, you will be brought back to the Training Center login screen. Please login with your credentials.

- Once logged in, you will be brought to your Products Dashboard. You should now see the newly added product on your Dashboard. Click Launch to begin!

Quick Launch:

A product card displayed on a light gray background. The card has a white background and contains the following elements: a small bar chart icon and a list icon in the top left; a circular profile picture of a man in the top center; an information icon in the top right; the title "Brief Motivational Intervention with Gabe Turner" in the center; and two buttons at the bottom: a green "Launch" button with a red border and a white "Resume" button with a green border.
